

Aventis Systems® Sponsors the 2012 Venture Atlanta Conference

ATLANTA, Georgia – October 25, 2012 – This year, over 700 attendees gathered at the Georgia Aquarium in downtown Atlanta for the 2012 Venture Atlanta Conference in support of the Georgia entrepreneurial community. This exciting, two day conference included outstanding business pitches from energetic entrepreneurs looking for capital, in addition to speeches from distinguished business owners and other successful entrepreneurs. In between sessions, attendees had time to visit exhibitors, while simultaneously watching the beluga whales in the background. Aventis Systems, Inc. was proud to be a Silver Sponsor for the third year in a row.

The Venture Atlanta Conference is an event that the Aventis Systems team looks forward to every year. This year was especially exciting because of the Company's recent on-site services launch. By offering a suite of comprehensive on-site services, in addition to its robust warranties, Aventis Systems is perfectly positioned to be the one-stop I.T. shop for entrepreneurs. Being an entrepreneur-owned small business, Aventis Systems understands the unique challenges of starting and growing a business, which is why it offers customers up to 50% off OEM pricing on I.T. products, coupled with their knowledgeable sales staff and engineering team. Aventis Systems is a great fit for customers that don't have their own I.T. department, but who want the benefit of that technical expertise.

Aventis Systems is delighted to be involved in the local startup and entrepreneurial community here in Georgia. "Sponsoring the Venture Atlanta Conference was an easy decision for us. Not only were we founded by an entrepreneur, but we are strategically poised to scale with businesses due to the superior value we offer," stated Marc Von Mandel, Field Sales & Marketing Specialist. "Without conferences like Venture Atlanta, the Atlanta startup community would not be where it is today. We are delighted to be a part of such an innovative group and we will continue to foster these relationships."
