

Aventis Systems Hosts Oktoberfest Themed Event For Customers & Partners

ATLANTA, Georgia – October 4, 2013 – Aventis Systems, Inc. is pleased to host 'Oktoberfest', an October themed networking event, at the 5 Seasons Brewing Company in Sandy Springs, Georgia. The event will take place on Thursday, October 10, 2013 from 5:30 p.m. to 7:30 p.m.

Aventis Systems welcomes its customers, affiliate partners, and any companies or professionals interested in a fun networking atmosphere. The Company will showcase and celebrate its newly launched website as well as provide an opportunity to meet some of their key team members.

"We are eager to host this complementary event for our local customers and affiliate partners," shares Tiffany Bloomer, Director of Business Development & Marketing at Aventis Systems. "Aventis Systems hopes to offer both a memorable and entertaining experience."

The event will include networking, food and drinks, and a short presentation on Aventis Systems' future products and services. The Company will raffle prizes including Gift Cards, technology hardware, and services consultations. Attendees will also have the opportunity to discuss their technology infrastructure needs with the Company's Director of Information Technology and Systems Managers.

"I look forward to meeting many of our local customers and affiliate partners," states Hesam Lamei, President and Founder of Aventis Systems. "Our Atlanta-based customers have been absolutely fundamental to our success and growth since the Company's inception."

About Aventis Systems, Inc.

Aventis Systems, Inc., located in Atlanta, Georgia, is one of the fastest growing companies in the computer hardware industry. Aventis Systems specializes in Dell and HP lines of servers and storage equipment, as well as Cisco networking equipment. They also offer a full suite of business class workstations, desktops, laptops, and all hardware components necessary for upgrades.

Aventis Systems' mission is to build long-lasting relationships with customers by offering an extensive plan designed to cover their I.T. needs. Aventis Systems starts by leveraging experienced sales and engineering professionals to evaluate their customer's infrastructure in order to craft the most cost-effective solutions. Due to their expansive inventory, the Company delivers these solutions with the shortest build and ship times in the industry. Additionally, Aventis Systems offers on-site installation services for customers across the continental U.S. so that they can implement their projects as quickly as possible. All Aventis Systems customers are covered by comprehensive warranties which include access to dedicated, domestic technical support. Optional maintenance service plans are provided by certified technicians with on-site response times as short as two hours. Finally, to further simplify the purchasing process, Aventis Systems offers equipment trade-in and financing options.

By providing you with a comprehensive I.T. plan, Aventis Systems effectively helps you focus on your business, instead of the hardware that runs it.
